MONTH (WEEK NO.)	TASK DESCRIPTION	ATTACH PICTURE HERE
MARCH (WEEK 10) **START DATE:** MAR 04 **END DATE:** MAR 10 **DAYS:** 5 **HOURS:** 58 **TOTAL HOURS (WEEK)** **WEEK 1:** 24 HOURS **WEEK 2:** 32 HOURS **WEEK 3:** 40 HOURS **WEEK 4:** 40 HOURS **WEEK 5:** 40 HOURS **WEEK 6:** 32 HOURS **WEEK 7:** 32 HOURS **WEEK 8:** 40 HOURS **WEEK 9:** 32 HOURS **WEEK 1O:** 58 HOURS **TOTAL HOURS: 370 HOURS**	During Week 10, I assisted in displaying the DPO/DPS information in different offices of the School Division Office (SDO). This involved preparing and posting the printed materials in designated areas so that employees could easily see and access the information. I also continued enhancing the functionality and user interface of the SDO-BACtrack system, focusing on improving its usability and overall performance. I also edited and improved the background design of the Click Time system to make its interface more visually appealing.

MARCH (WEEK 11) **START DATE:** MAR 11 **END DATE:** MAR 17 **DAYS:** 5 **HOURS:** 58 **TOTAL HOURS (WEEK)** **WEEK 1:** 24 HOURS **WEEK 2:** 32 HOURS **WEEK 3:** 40 HOURS **WEEK 4:** 40 HOURS **WEEK 5:** 40 HOURS **WEEK 6:** 32 HOURS **WEEK 7:** 32 HOURS **WEEK 8:** 40 HOURS **WEEK 9:** 32 HOURS **WEEK 10:** 58 HOURS **WEEK 11:** 58 HOURS **TOTAL HOURS: 428 HOURS**	During Week 11, I continued enhancing the BACtrack system by improving its features and overall functionality to make it more efficient and user-friendly. Some of these tasks were completed through work-from-home, allowing me to focus on system improvements and documentation remotely. And also, I worked on creating the user manual for the newly developed system called "Click Time." The documentation includes instructions and guidelines to help users understand how to properly use the system.

MARCH (WEEK 12) **START DATE:** MAR 18 **END DATE:** MAR 25 **DAYS:** 5 **HOURS:** 58 **TOTAL HOURS (WEEK)** **WEEK 1:** 24 HOURS **WEEK 2:** 32 HOURS **WEEK 3:** 40 HOURS **WEEK 4:** 40 HOURS **WEEK 5:** 40 HOURS **WEEK 6:** 32 HOURS **WEEK 7:** 32 HOURS **WEEK 8:** 40 HOURS **WEEK 9:** 32 HOURS **WEEK 10:** 58 HOURS **WEEK 11:** 58 HOURS **WEEK 12:** 58 hours **TOTAL HOURS: 486 HOURS**	During Week 12, I continued working on the enhancement of the BACtrack system, focusing on improving its functionality to make it more efficient, accurate, and user-friendly. In addition, we conducted a presentation of the BACtrack system, where we explained its features, workflow, and overall purpose. This helped demonstrate the improvements made and how the system can support the operations of the Bids and Awards Committee.
